SALT: SALT: SALT: MANUFACTURED AT THE PUULOA SALT WORKS.

For sale by the undersigned in any quantity, delivered in bulk alongside the wharf or vessel in Honelulu, very superior Puuloa Salt, at the rate of

Sixteen Dollars per Ton. The proprietor having greatly improved his salt works, he is now prepared to furnish better salt, in larger quantities, and with greater dispatch than has hitherto been done at the Sandwich Islands.

Purchasers here and abroad, who wish to procure the best salt manufactured in the Pacific, will do well to enquire for, and also to assure themselves, that they receive the real Puuloa salt. Orders to any amount executed with dispatch. DANIEL MONTGOMERY. Apply to Puuloa Salt Works.

3-6 mos* Sandwich Islands. FIRE PROOF ROOFS. WARREN'S FIRE AND WATER PROOF Roofs have established for themselves in New England and the Canadas a reputation second to none. They have been much longer in use in the Middle and Western States, and testimonials from various parts of the Union, admit their superiority

over all other roofs. They have been used upon Dwelling Houses of the first class, Ware Houses, Railroad Depots, and Manufacturies, and have been pronounced by Architects, Bailders and others who have a knowledge of their merits, to be of greater durability, and to be possessed of fire and water resisting properties, to an extent

beyond that of any Roof now in use. These Roofs require an inclination of only one inch to the foot. They can be used for a promenade, and for drying purposes; and are made available in case of fire to adjoining buildings. The materials of which these Roofs are composed, are not affected by changes of temperature.

The cost is less than that of any other Fire Proof Roof now in use, and even that of a shingled Roof. These Roofs are not affected by the jar of machinery; and in case of injury, no Roof is so easily and quickly repaired. The Corporation of the City of Montreal, Canada, have by a

special By-Law, made an exception in favor of Warren Roofs, the Law prohibiting the erection of buildings in the City. And numerous other testimonials from Builders, Insurance Officers, Railroad Corporations and others, which attest the superiority of this Roofing over all others for cheapness, efficiency, and durability combined, may be seen at the Counting Room of C. BREWER 2d. For sale by J. F. B. MARSHALL. (13-tf)
